## PUBLICATIONS BANQUET

This was the first year that there has been a Publications Banquet at BHS. Staff members of the Aegis, Beverlega and the Ledger received recognition and awards for their fine work throughout the year. Miriam Zoll, Paul Manzo, Tom Booth and Chris D'Alfonso were among those honored.

## Senior Class Play

On May 16 and 17, members of the Senior Class put on the production, *Gentlemen Prefer Blondes*. Persons with leading roles were June Walsh (Lorelei) and Tim Smith (Henry Spofford III). Others with major roles were Bob Brenner, Angie Faust, Martha Field, Shari McDonald and Mary Beth Nuccio. Once again directed by BHS English teachers, Ms. Claire Hart and Ms. Sandra Smeltzer, the play turned out to be a smashing success.

## *"Hello, Dolly!"*

Will Horace marry Dolly? Can Ermengarde engage Ambrose? Will Irene and Minnie consider Cornelius and Barnaby? These and more were answered by the Music Department's production of "Hello Dolly".

Professional performances by Dolly (Kathrine Anderson) and Horace (Howard Axelrod) resulted in sell-out crowds each night. Other people with major roles were Shari MacDonald, Jackie Soucy, Doug Emeney and Peter Adams.

A good effort from the entire cast and crews resulted in the show's overwhelming success.

The Girl's Track Team under the leadership of Laureen Reinholdt and Shannon Barror ended with a record of 9-1 after a close meet with Swampscott. The team placed second in the NEC Meet with Carrie Guarino breaking the record in the 880. This year school records were broken by; Maureen O'Reilly — 440, 880, Kelly leComte — 100, discus, Donna Chouinard — hurdles, and Carrie Guarino — mile. All State participants were C. Guarino, M. O'Reilly, and K. Lecomte. With only three seniors leaving, next year's team is looking forward to a first place finish in the NEC.

Front Row: L. Faust, D. Chouinard, J. Parisella, Co-Capt. S. Barror, B. Marcos, Co-Capt. Laureen Reinholdt, M. O'Reilly, P. James. Second Row: E. Long, L. Mital, K. LaComte, P. Chouinard, J. This year the Boys Track Team finished with a disappointing record of 8-1. Their only loss was to Marblehead. Both teams were undefeated coming into the meet, but Marblehead emerged as the victor. Beverly, however, got its revenge in the conference meet when they beat Marblehead.

This year's outstanding performers were Jim Watts, Bruce Hadden, George Daly, Barry Lewis, and George Ward. Watts was this year's MVP and broke records in the 100 and 220. Hadden broke the javelin record and Daly broke the junior record in the triple jump.

In the non-conference meets the team placed third in the Northern Area, third in the Haverill Invitational Meet, fifth in the relays, and sixth in the State Meet.

With the twelve seniors graduating, the team will have a challenge, under the leadership of next year's captains Barry Lewis and George Daly, to uphold the winning tradition in track new year.

Front Row: D. Talbot, K. Rollins, J. Moloney, Co-Capt. D. Buckley, Co-Capt. S. Murray, B. Hadden, S. Lospennato, S. Peeler, L. Betchel, J. Watts. Second Row: K. Underwood, L. Burns, B. Lewis, B. Back Row: D. Wharton, J. Ward, B. Norris, F. Gaudet, M. Tonneson.

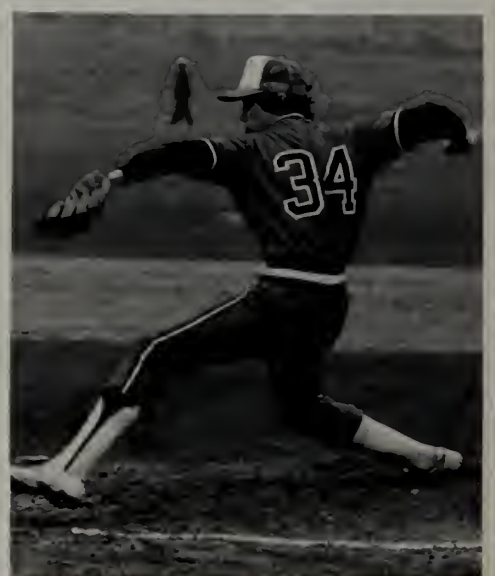

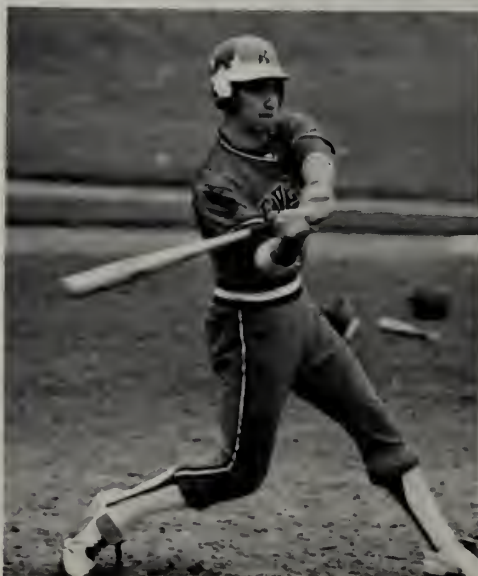

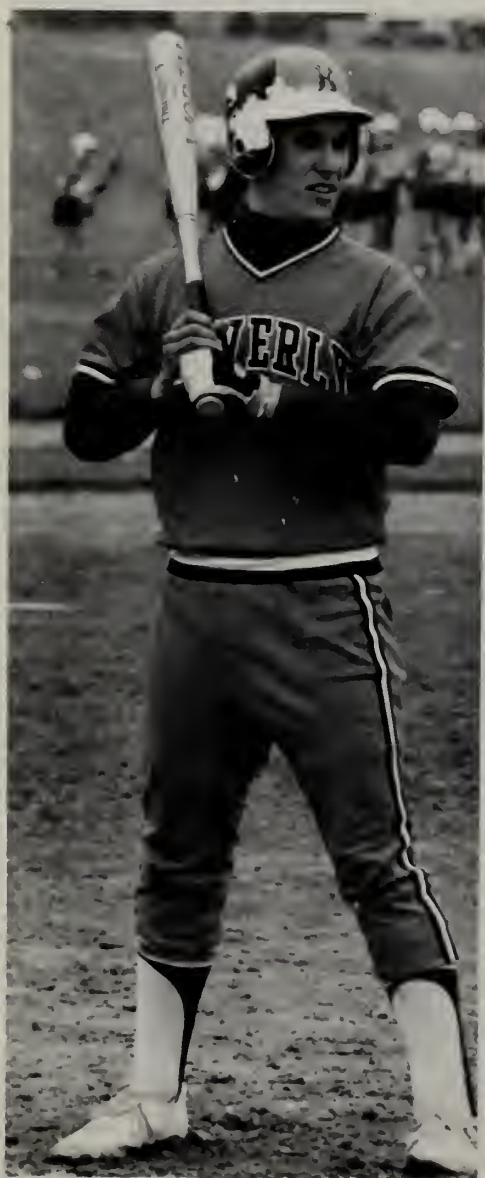

## BASEBALL

This year's baseball team, led by co-captains Kurt Gross and Billy Gongas, encountered problems during the season. Though they started out strong, they ended with a 6-12 record. The new coach, Doug Linehan, assisted by Rod Gorman and Harry Connaughton, brought enthusiasm to the team.

With many of the players returning under the leadership of next year's captain, Greg Shea, hopes of a better season are in view.

Front Row: M. Rogers, R. Jastrzembski, Co-Capt. K. Gross, R. Bright, J. Levassuer, J. Cuoco, Co-Capt. B. Gongas, M. Ring. Back Row: B. Lawrence, J. Abate, J. Kerr, L. Holland, M. Smorczewski, S. Perron, G. Shea, P. Boretti, S. Pia.

The Girl's Softball team had a very successful season ending with a record of 13-3. The team, led by Capt. Caren Levesque, made it to the semi-finals of the state where they lost by a close margin.

Throughout the season an outstanding performance was given by pitcher Lynne Dunn. The team had many powerful hitters including J. LaPenna, J. LeClair, D. Diluiso and R. Clayton. Because of the great number of juniors on the team, hopes of being next year's State winners are on their minds.

This year's lacrosse team finished with a record of 8-7. The team did not match up to last year's team, but that was to be expected with a new coach and players in new positions. The game to be remembered was against Peabody. The team was assessed 18 penalties and two players were thrown out of the game after a fight between teams. This year the team had Co-MVP's, Dave Hannable, a senior who never played and Rich Giunta. Next year's tri-captains are Dave Jutras, Barry Lapka, and Chris Kinback.

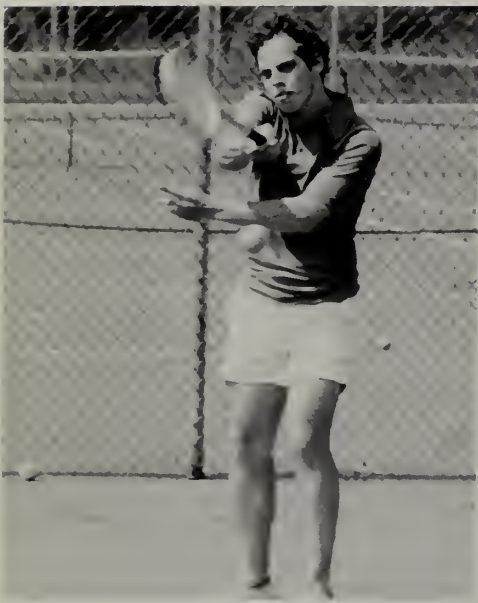

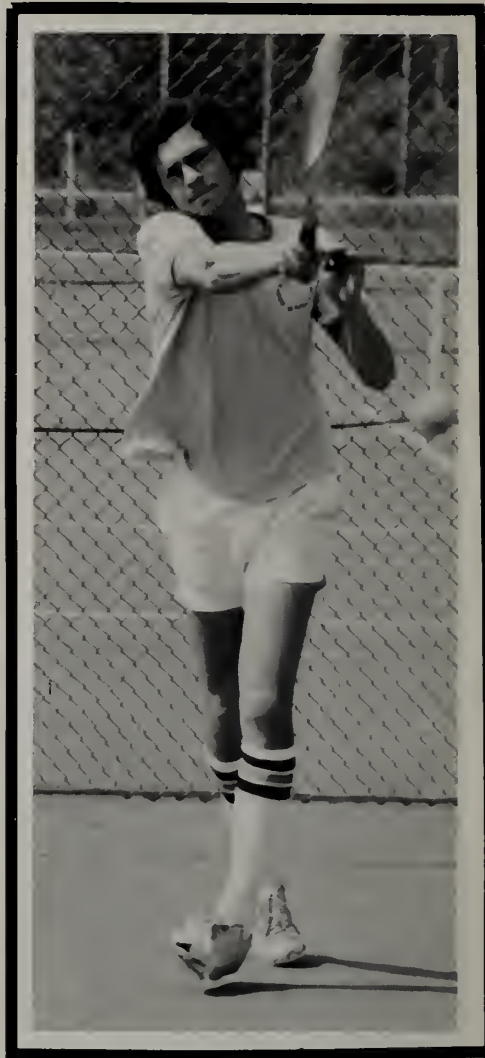

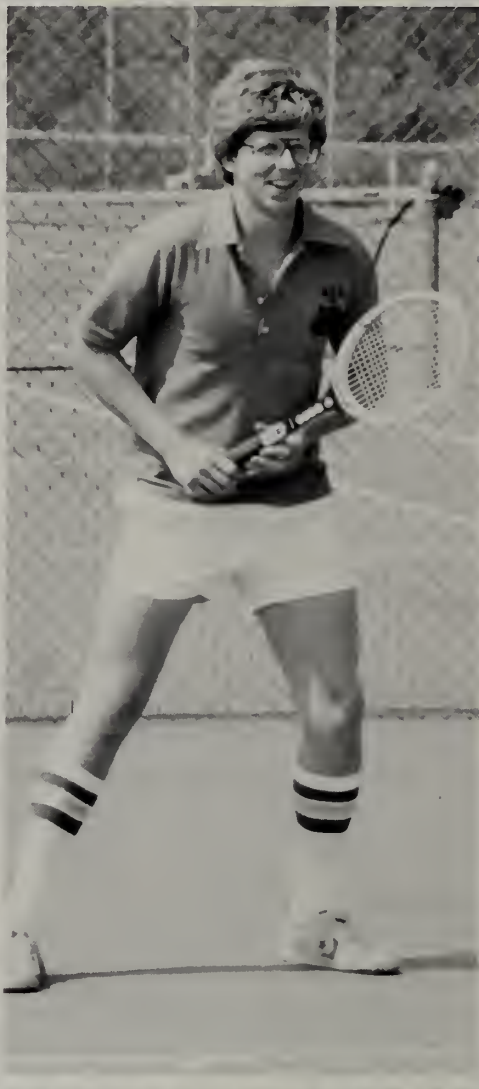

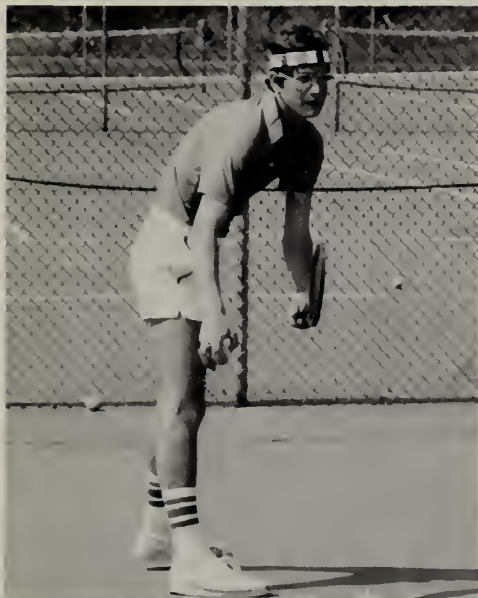

Front Row: D. Hannable, J. Crowell, E.J. Estabrook, TriCapt. R. Giunta, TriCapt. D. Kline, TriCapt. R. Ganey, W. Gansenberg, D. Mirandi, R. Finn, G. Gordeau. Second Row: C. Kinback, M. Paluzzi, J. This year was a building one for the B.H.S. Boy's Tennis team. Led by co-captains Joey Palazola and Mark Kravetz, the team compiled a 7-11 record. With only Palazola and Kravetz returning from last year's 17-1 NEC Champion team, they made a good showing in the tough conference. The team featured Kravetz, a senior, at first singles, a three year varsity player; Ron Gauthier, a senior who climbed from the number eight position last year to second singles this year. At third singles was senior J. Palazola; at first doubles was senior John Doane, a first year player, and a sophomore Mark Baker, who looked good in the intra-squad tournament at the beginning of the year; and at second doubles were juniors G. Garrity and T. Bethune.

Mark Kravetz copped both MVP and Sportmanship Awards while Ron Gauthier walked away with the Most Improved Player Award.

This year was an exceptionally good one for the Field Hockey team. The girls logged an awesome record of twelve wins and only two losses to finish second in the North-Eastern Conference. Their outstanding season earned them a birth in the State Tournament, in which they defeated Tyngsboro in first round action but succumbed to Weston in their second game. Tri-captains Debbie Ahern, Jackie Soucy, Janis Melanson spurred the team on to excellence. Outstanding play of ultra seniors Karen Morris, Caren Levesque, Sue Young, and Ellen Clinch is to be commended. Returning next year are Alana McDonald, Kelly Lecompt and Laurie Levesque, all of whom played a major role in this year's success.

## Soccer

Front row: L. Enos, Co-Capt. F. Paglia, Co-Capt. R. Chmiel, D. Chalifour, B. Cappachetti, R. Mehu, E. Goodwin, J. Bucco. Second row: M. Ring, D. Talbot, D. Driscoll, B. Whalen, K. Wilkenson, R. Lewis, J. Doane.

This was a great season for the soccer team. They started out the year with an easy win over Winthrop and had only a few minor mishaps through the season. For example, they tied their rival Salem in an early season game, and later defeated them in a tensely exciting season closer.

Then came the finals. First they defeated a powerful Winchester team before a capacity filled home audience. They then went to Somerville and after three sudden death periods, won by a score of 1-0.

Next came the State Tournament. First was the Belmont match with a 2-1 win. Then came the Lexington game in which they were defeated. However, the spirit of the team did not display the usual depression associated with defeat; they had made it to where no other Beverly High Soccer Team ever had, The Eastern Mass., Division One Finals.

# Soccer

This year marked an important step forward in girls athletics at Beverly High School — the formation of a Girls Soccer Club. Although varsity recognition was not awarded to members of Coach Wendy Harris's club, the sport will find a position on next fall's roster of varsity teams. Captained by Joyce Gawron, Mary Brown, and Carolyn Keyes, the team played area school teams to achieve a final record of 2-5-1. The team can expect a highly successful season with 16 underclassmen out of 21 team members returning next year.

# Tennis

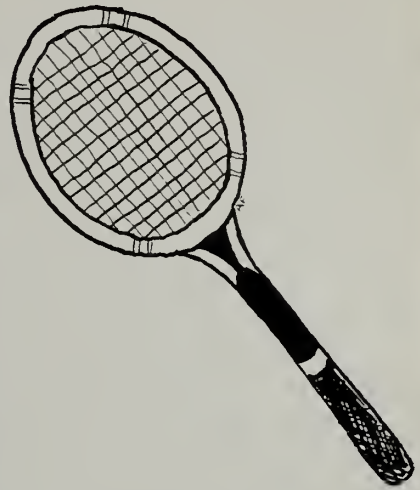

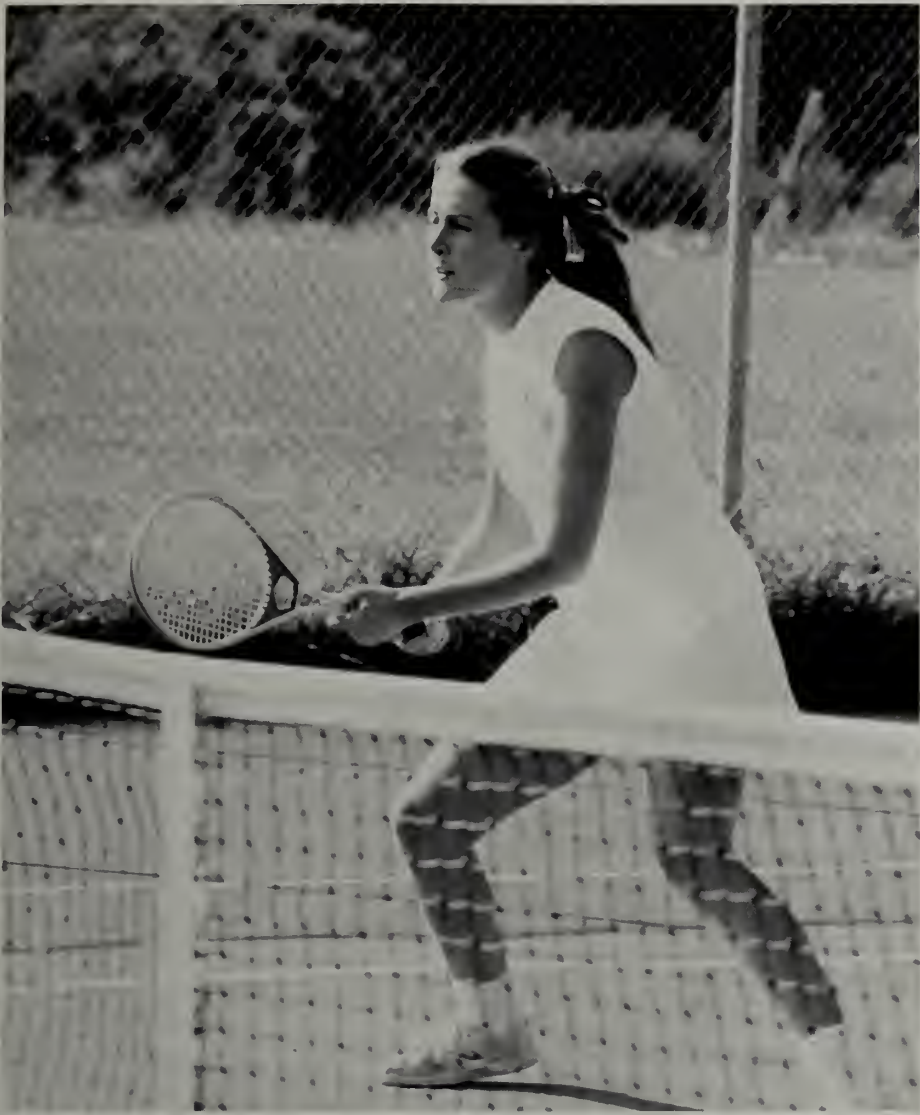

The Beverly High Girls Tennis Team completed an extremely successful season of 12-2 under the direction of Mrs. Ellen Tassinari. Each member on the varsity was an NEC All-Star Team. Seniors JoAnne LaPenna, Chris Anderson, Kelly Murphy and Anne Wilbur will be missed but with a strong backup of juniors Colleen Maguire, Cindy Wilson and Patty Howe along with a talented JV team Beverly should continue to dominate the conference.

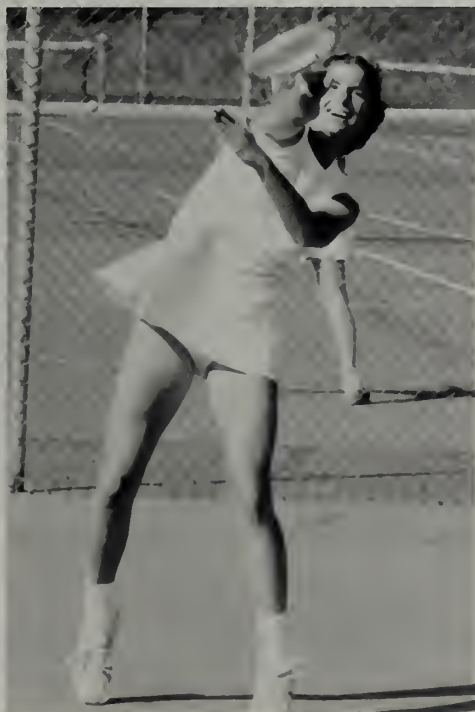

Front Row: J. LaPenna, A. Wilbur. Back Row: L. Mital, K. Murphy, C. Willson, Coach Tassinari, C. Anderson, P. Howe, C. McGuire.

The B.H.S. Boy's Cross-country Team roared to an undefeated season and a first place finish in the North-eastern Conference, again displaying the excellence and depth that have become synonymous with the words "Beverly Cross-Country". Co-captains Joe Moloney and Scott Peeler paced the team in their winning ways. Coach Fred Hammond, one of the biggest names in area track circles, will be losing six of his top ten runners to graduation after this superlative 9-0 season, but the promising junior varsity runners will hopefully fill these slots in due time. Congratulations to the team on a fantastic year.

With only one returning letter winner, this year's edition of the Girl's Cross-country team had their work cut out for them. Fortunately, they have every reason to be pleased with their efforts, as they sported a record of nine wins and no losses, and the Northeastern Conference championship as well. Each year coach Dan Geary's harriers achieve new heights of excellence; this year every varsity member earned her letter. Special standouts were superstar Ellen Mangan, who qualified for the All-State meet with one of her best performances of the year; captain Laureen Reinhold, who had a superlative season, and junior Julie Goodwin, who will be one of the teams key members next year. Congratulations to coach and team on their thirty-six consecutive victories, and their outstanding season.

This year, the Beverly High School Golf team had another successful season. The team had a fantastic season opener with a major win over their rival, Salem. Although there were two losses, they had little or no affect on the team as they kept up their good standing. Their record was a spectacular 7-2-1. The team also had a powerful season closer, with yet another victory over Salem. There is also great hope for next year's season with many of the underclassmen who are returning. Maybe their season will be as good as this years' team.

# Football

This year, our Bone-Crunching Panthers had another eventful season. Everything started out well with three thrilling wins in succession. However, this did not last for long as the Panthers suffered setbacks from what might have been their landmark season. After five frustrating losses, the Panthers staged a comeback with a fourteen point victory over Marblehead. Then came the most awaited game of the year, the Beverly-Salem Thanksgiving Game. This was to be the most exciting, yet most disappointing event of the season. Just when everyone was sure the Panthers were going to attain a victory, they were defeated. This did not display, however, the true sentiments of the team, because their season had been the best in a long while.

Front Row: W. Shea, W. Gongas, B. Salley, D. Nason, D. Buckley, M. Smagala, A. Vitale, R. Giunta, D. Kline, M. Abate, L. Scott, E. Estabrook, D. Atwood, C. Ferrante, K. Counihan, J. Pellitier. ## BOYS BASKETBALL

The 1979-1980 edition of the boys basketball team had an excellent season, to say the least. They finished in second place in the Northeastern Conference with a fine 17-3 mark. In the Conference they boasted a 16-2 record dropping only two contests to a gifted champion Lynn Classical. In inter-league games they lost a close and exciting contest to Burlington, but came off the season roaring into Reading and posting a 30 point win.

The captain for this years team was senior veteran guard Bill Hayes. He has played for three straight years on the varsity squad and as of the Reading game he had played in 64 consecutive contests for Beverly High, a feat unparalleled in coach Keith Arnolds' reign.

Coach Arnold was assisted by junior varsity coach Tom Hayes. The J.V.'s posted a successful record and with the look of this years team only good prospects are coming to the varsity squad in the following years.

This year the team faces Woburn in the first round of the state tournament and the pairings look very good for Beverly High Basketball.

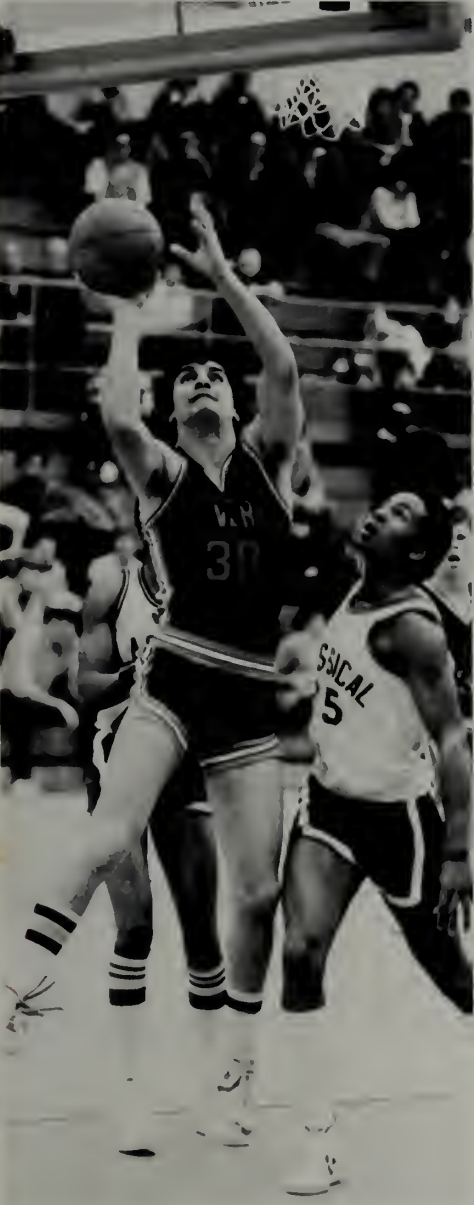

Front Row: Coach K. Arnold, Capt. W. Hayes, T. Hegarty. Back Row: T. Hayes, J. Bonacci, M. Pascucci, B. Lewis, P. Wynne, D. Murphy, T. Hegarty, S. Lospennato, D. Rice, S. Maxner.

## BOYS TRACK

Under the leadership of co-capt. Bill Shea and Jim Watts, the 1980 Boy's Track team was lead to a 10-0 record and another first place position in the Northeast Conference. Earning the title of three best shot-putters in the state were Bill Shea, Bruce Hadden, and Devin Buckley. Peter Dooling remained undefeated in the 300 yd. dash all season and along with Watts, Dooling claimed conference championships in the All Star Meet.

The 600 yd. dash was the strongest event of the team as Steve Murray, Larry Bechtel, Mike Whelan, Bob Finn, and Dennis O'Brien all qualified for the North East Conference meet. Another strong part of the team was the distance runners in the 1000 yd. dash, mile, and two-mile.

Superb coaching of the team came from Mr. Hammond and assist. coach John Hilton.

Although the Girl's Track team was plagued with sickness and injury they ended up with a record of 5-2, enabling them to finish in a three way tie for second place in the Northeastern Conference. Outstanding junior Maureen O'Reilly set a school record in the 600 yard run with a time of 1:27, and went undefeated in the 600 and 300 yard dashes in the N.E.C. O'Reilly, along with senior high jumper Shannon Barror and junior miler Carrie Guarino, also qualified for the Easterns. Next year's team looks strong, as only four girls are graduating this year.

# GYMNASTICS

The girl's Gymnastics team had an unparalleled season by vaulting to a 6-2 record. They tumbled into a second place tie with Danvers, narrowly missing a chance to go to the State tournament. Although the team as a whole did not journey to the States, two of its members went to the individual State Championships in Milford.

Both Junior Janet Glazier and Sophomore Julie LaSelva had remarkable seasons. At Milford, Glazier scored an 8.3 in the preliminaries, and then a 7.9 in the finals. Janet finished eighth in the overall standings. With the tough competition, young LaSelva could do no better than a high 7.7 on the vault.

This year's captains were JoAnne LaPenna and Paula Woods. Next year, with the advent of new stars, this brave bunch of female athletes have a definite chance of going to the States.

## SWIM

In only its second year as an organized group, the Beverly High Swim Team splashed off to a winning start. The team won its first four meets and finished with a 6-4 season.

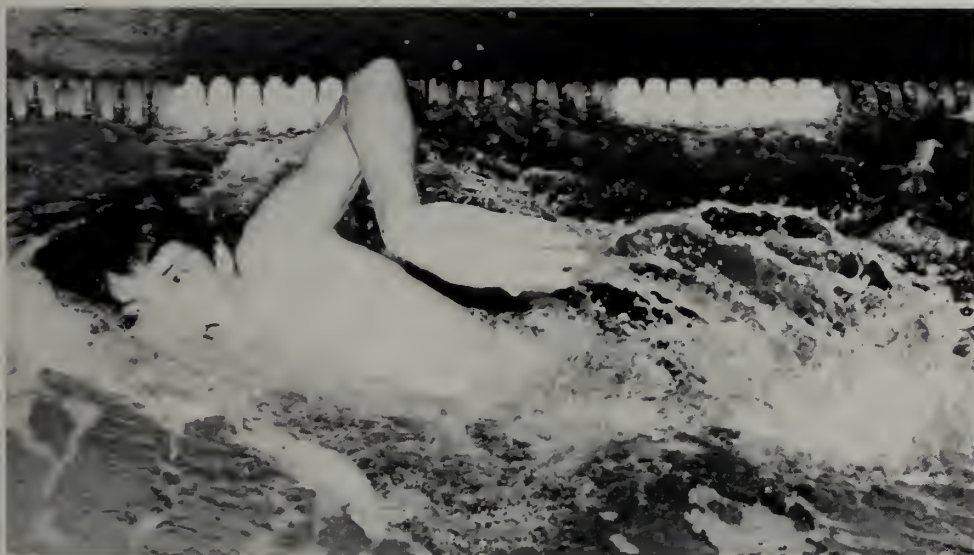

The most gratifying win was over Danvers, this being the first time ever to defeat the strong Falcon team. Coach Jon Lazar was very pleased with the swimmers personal achievements and with the new school records set.

Team captains David Cook and Patty Howe led the enthusiastic co-ed Panthers through the season. Next years team should prove to be even stronger, with the swim team's up and coming underclassmen. Some promising talents include Wendy Freeman, John Tosi, Ronnie Cram, Patty Howe, Lori Cram, David Full, Robbie Atwood, Kersten Kyrakis, and Lynn Tompkinson. All in all it was a victorious year.

# The Ledger

Beverly High School, Beverly, Mass.

Friday, December 14, 1979 8 pages

The Ledger, headed by editor-in-chief Chris D'Alfonso, was very successful this year.

In the paper, students reported on sports information, school activities, foreign students, trips, house stories and many other topics. Other editors supervising the paper were Crystal Coleman, Scott Peeler, and Robert Moffett. Advisor for the paper was Mr. Paul "Hey Hamlet!" Krueger.

Front: C. D'Alfonso. Back: S. Halpern, R. Moffett, C. Coleman, J. Cahill, Mr. Krueger.

# AEGIS

With a staff of over 2 dozen under the supervision of Editor Miriam Zoll, Aegis publishes a winter and a spring issue, trying to show a wide range of topics and styles of student writers. Among the diverse contents of the magazine are stories, plays, cartoon strips, poems, songs, and some very impressive art work.

## MATH TEAM

Unlike other teams that use their bodies, the math team uses it's minds. Once a week you can find a group of energetic individuals preparing themselves for the monthly math meet. With the guidance of their advisor, Mr. Merriman, the team has had a fairly successful year. The math team has improved somewhat over the previous year and plan to work together to make next year an even more successful year.

## CHESS CLUB

If you walk past C-106 one day and hear people calling "check," you have not found a new restaurant, you have stumbled upon the Chess Club. This year the Chess Club has been very small, with only about eight active members. The club has been dormant for a couple of months as the regulars were busy with other activities, but when they do meet, members play against each other to improve their skill. Probably, none of these players will ever play chess professionally but will always enjoy it as a hobby.

Chess, according to advisor Mr. Stone, is not very hard to learn but takes work to become skillful at. Professional chess players dedicate their entire lives to bettering their game. They eat, sleep, and think chess. Many pro chess players travel thousands of miles to play Russians with unpronounceable names.

So if chess is your game, pop into C-106 and join others who enjoy chess.

## U.F.P.

Formed in the year 2087, The United Federation of Planets has become one of the most important alliances man and his celestial neighbors has ever known. In his historic opening address, Secretary General Harmon Axelrod praised the alliance as it brought together the citizens of Earth, Vulcan, Tellor, Andor, Rigel and Alpha Centuri. The goal of the U.F.P. is to help planets develop, while retaining their sovereignty, and explore space . . . "the final frontier."

It is hoped that any problems that arise can quickly be solved by the Federation Council.

Lifesavers, Velamints, Spree, Mentos — you name it, and if it comes in a roll, the School Store has got it. And to burn off all those unwanted calories from the candy, there are sweatsuits and t-shirts. Actually, almost anything you may want or need during the school day is available at the School Store.

This store is run by some very able bodied people who are members of DECA — the Distributive Education Clubs of America. Our DECA club had a very successful and profitable year again, winning numerous awards for their efforts. Cindy Modugno topped the list of awards with her second place finish in Apparel and Accessories. Also, Lance Goodwin placed third, and Carla Pace placed fifth in Food Service. Renee Chouinard and Lisa Glidden both received sixth place in Apparel and Accessories. Competing in advertising services was Beth Call. Donna Church competed in Food Marketing and Ann Funnelli in food Service.

# HUMANITIES

---

Question: What looks like a class, sounds like a class, is graded like a class, but isn't your everyday run-of-the-mill class?

Answer: Humanities

Open only to seniors, this course offers students the opportunity to break away from the strict form of instruction they have grown used to. Instead the student is presented with courses that cover almost everything from renaissance art to the controversy of nuclear power and much, much more.

However the most popular item offered in humanities is the weekly large group instruction in the auditorium. Here students have met with Jim Nihan, an excellent folk guitarist-songwriter, and several other musicians including the jazz ensemble A Patch of Blue. Among other guests was a seaside painter whose philosophy on life and living is as interesting as watching him paint, and Ms. Sonia Weitz, a survivor of the Holocaust, whose story was as gripping as any told all year.

Underclassmen, do yourselves a favor. When and if your senior year rolls around, TAKE HUMANITIES!

# Exchange

By JOHN CAHILL

The French exchange students have left for home. They have been gone for a week now, yet perhaps you are now wondering what impressed them the most about Beverly.

Before the students and teachers left, we tried to get a sampling of their views of Beverly and the American way of life.

When asked what impressed them the most about America, Eric Aubry, a senior at Lycee Pablo Picasso stated, "I like the friendship among the young people."

Mme. Francoise Terrier, the English teacher in charge of the French end of the exchange, described the American people as "warm and friendly." She feels the Franco-American Partnership Program is a good opportunity to "see the American way of life from the inside."

Many of the students interviewed noticed a great difference between the social life in America and in France. Olivier Baglin described the social life here as "more developed" than in France. Others echoed the same observation, but some noticed that Americans were "less open among one another."

Every one of the French students was amazed at the low price of many retail goods here, as compared to France. A pair of pants that may cost \$15 here in America may sell for as much as \$40 in France, relates Jean-Pierre Robin.

Eric Aubry also thinks that the cars here are "too big and wasteful" of gasoline. Many other students were amazed at how many Beverlyites relied on the automobile, as compared to Fonteney-sous-bois, where a clean and efficient subway system, "the metro," makes auto travel less necessary.

Several students also remarked about the size of, and distance between houses, and the fact that most of the houses that they stayed in were one-family dwellings. In the suburb of Paris from whence they come, most people live in "flats" - small apartment buildings.

By BOB MOFFETT

This year Beverly High School has enrolled a new student under the Alt House roof, which, of course, is not so unusual. Or is it?

The new student is Sergio Garcia, an exchange student from Colombia, studying here through the Youth for Understanding program. Sergio will be spending a full six months here, with his foster parent, Ms. Sally Chisholm of 22 Lake Shore Ave.

Sergio is currently enrolled as a senior in homeroom A-212 and has taken up courses in Calculus, American History, British Heritage, and Advanced Biology. Also, he was required to take physical education, which he finds to be quite different from gym in Colombia.

Sergio likes the new field house facilities and enjoys gym, though he does not understand all of the games played here. In Colombia, Physical Education is only a strict exercise program, without the many sports we include in our program.

Sergio's life at home, in the city of Bucaramanga, is also very different from the life which he is experiencing here in Beverly.

The first change Sergio had to face was the weather, and because of the extreme differences in climate, Sergio had been home sick from school for a number of days.

He also explained that life is much busier here than in his city, as he is faced with the challenge of keeping up with our fast moving life style. It appears quite strange to him to see so many Beverly High School students rushing through the halls as they hurry to their respective classes.

Sergio cannot drive here in the U.S., since the law will not allow a non-citizen to obtain a license, he also explains that the age limit for obtaining a license in Colombia is 18.

There is no drinking age in Colombia, and Sergio claimed that it causes no

problems, stating that, "If you drink, it is a problem for you, not for the state."

Sergio enjoyed seeing the ocean, since his city, Bucaramanga, is not on the coast. However, he claims that the shorelines of Colombia are much cleaner than those of Beverly and its surrounding ports.

Sergio would like to study Industrial Engineering at one of Colombia's industrial universities. He pointed out that Colombia has very few colleges and universities, thus one must pass an examination in order to gain admission. Sergio has taken the exam twice, passing the second time, admitting him

He also enjoys American television - one of his favorite programs being "Barnaby Jones." He has watched many televised sports games, saying that he cannot understand football, and has never seen or heard of hockey.

Sergio has tried ice skating, and though it is difficult for him, he does enjoy it. He has not done any swimming here, although he did find a visit to the Beverly Y.M.C.A. very interesting.

In Bucaramanga, Sergio attended San Pedro Claver, (San Pedro High School) where he had taken five years of English. The school system there is quite different from our own, in that a student's courses are standard for everyone, and they do not elect the courses they wish to take. But perhaps even stranger to us is that the school day begins at seven, stops for a break at 11:45, when the students may go home for lunch, resuming at 3:00, and closing finally at 4:00.

to the university without tuition, since his father is a retired chemistry professor from that same school.

Sergio has two sisters, and a brother, Jaime Hernando, who had been an exchange student in California in 1978, and had been with Sergio in Florida in 1976 for America's bicentennial celebration.

Sergio feels that his journey to this country has been, and will remain, a very important experience in his life, as he tells us that his stay here has taught him a great deal, and perhaps we too, have learned a great deal from him.

# Hey Ha

This year the Krueger clan including authors Melissa Davico, Bob Heller, Valerie Hogan, Cathy Tamlilio and Jean Spiridigliozzi, under the meticulous direction of Mr. Krueger; presented the Heartwarming musical-comedy, "Hey Hamlet!"

The receptive audiences were charmed right out of their seats by the charismatic Tom Lawrence as the tragic hero; boomed to the back of the theatre by the powerful voice of Bethany Karlan as the Queen, and delighted by the off-the-wall antics of Steve Loespenato as the somewhat sissified Osric.

"Hey Hamlet" was beyond doubt, a smashing success and a credit to it's creative writers.

Some club members went backpacking in September; rock climbing in October; took part in "Scream in the Dark," the haunted house; winter camping in February; and many other activities. The activities themselves weren't most important, because the enrichment and self-confidence along with the fun derived made each trip meaningful.

## N.H.S.

N.H.S. — no, not Newton High School, but National Honor Society.

Approximately 25 students are chosen to become members of this group of scholastic achievers. The requirement is that a 3.6 average (B+) or better must be maintained throughout their high school career. If a 3.8 average, or better, is maintained, an honor's blazer is awarded.

Scholarships are awarded yearly on a national level, and only two members out of each school are eligible. This year, Beverly is represented by Chris D'Alfonso and Devin Buckley.

Annual activities include a Carnation Day on Valentine's Day, and an Honor's Banquet.

The officers are: Carol Lucet, president; Jill Levy, vice-president; Sue Nardella, treasurer; and Janis Melanson, secretary.

## AIDES

Try to imagine what would happen if this school was run without any of our various aides. Students and teachers would starve, teachers wouldn't be able to put their classes to sleep with boring films, chem. labs would blow up, bio-students would dissect themselves, and many a sick student would succumb to death. These aides take their free time and devote it to the assistance of their fellow students. To these people, the student body and faculty owe a great deal of gratitude.

## SPIRIT WEEK

---

This year Spirit Week started off in high-gear, due to the success of our football team. Activities such as Hat Day, Carnation Day, Tag Day and Spirit Day set the trend for an uplifting in school spirit. This trend (continued out of school by the victory of our Powderpuff team over Salem's, the Bonfire and the Pancake breakfast) inspired our football team to play one of their best games of the season. This year's Spirit Week was one of the most effective ever. Hopefully, it will become a tradition at B.H.S.

# MARCHING BAND

Well if you haven't heard by now (and if you haven't heard you weren't listening) the Panther Marching Band returned from the Boston College Marching Band Competition 1st place (that's right, 1st place) winners! And to beat that, the Beverly High School Panther Marching Band was on national television for twelve minutes. This however was just the climax to an always high spirited season.

Crowds all season long were brought to their feet by extravagant productions of such arrangements as: "MacArthur Park;" and "What I Did for Love." It has been an eventful season for all, and one that will not soon be forgotten.

---

## BAND

---

After finishing their fall season with a fantastic performance (some of which was seen on national, that's right, national T.V.) that resulted in their winning first place at the B.C. Marching Band Competition in November, the concert band began their season with the annual Winter Concert. The Pops Concert, which filled the cafeteria too capacity, was one of several efforts to raise funds for their exchange trip to West Virginia this spring.

The Band Officers are: Allyn Florini, Pres.; Valerie Watson, V.P.; Allison Davis, Sec.; and Julie O'Rourke, Treas.

# CHORALE

The Chorale group is having yet another successful year giving wonderful performances to all those who had the pleasure of viewing and listening to them. Under the direction of Mr. Lynn, the chorus has worked long hours perfecting their style. The chorus has already given their first big performance, namely the Winter Concert. All who viewed, said that the group has never done better and all who participated should be commended. With the Winter Concert over, and the competition at Westfield State College almost here, the chorus is anxiously awaiting the exchange trip to Belmore, Long Island this coming May.

The guidance program scheduled for Monday, March 20, is a multi-media extravaganza which is combined with a professional actor to present a live 35-minute show. All sophomore classes meeting during period 3 are invited to attend. The teachers of classes made up of students in grades 11 and 12 are also invited to take their students up to the capacity of the auditorium. The is not the usual run-of-the-mill type of guidance program. It should prove to be not only helpful to students who have not yet made a career choice but also entertaining in the method of its presentation. Teachers of classes who are interested in attending should indicate their intentions to Mr. Tanous. There is still room for additional classes and we invite you to attend. F.

The Guidance program for juniors regarding the Scholarship Aptitude Test scheduled for Monday during period 6 will be on Tuesday during period 4. F.

##### NOTICE TO TEACHERS AND STUDENTS

Parents and students participating in this year's French exchange, there will be an important meeting on Monday, February 4, at 7:00 p.m. in Room G-104. Last minute details on the arrival of French students will be discussed. The exact time of arrival is known for sure. It is a long swim from Bordeaux, but it is believed that the students will beach themselves somewhere between Dane Street Beach and Jubilee Yacht Club. Keep a sharp eye out, huh!

#### NOTICE TO STUDENTS:

The behavior of our students at athletic functions has always been exemplary and above reproach (well maybe except for that nasty little incident at Lynn Classical with the collar and bullwhip, but the police never went through with the charges) and has reflected favorably (relatively anyway) on the school.

We are hopeful that, while attending school sponsored athletic events, students will be enthusiastic and supportive but not offensive or antagonistic. We expect that you show respect for the players from both teams, the officials, and other spectators. Any one caught mistreating the opposition in any way (if there's anybody watching) will have their subscription to *Chicken Fighter's Monthly* cancelled.

Alex Beaman, a graduating senior and amateur photographer, spent the last school year in Israel. "Ace" lived in a Kibbutz from Sept. '78 'til June '79, working in a factory and going to school. Examples of his work are: 1. An early morning sunrise over a steaming Israeli desert. 2. the party advances across the wastelands. 3. Alex stands watch with his machine gun.

## NOTICE

TO THOSE  
WHO WRITE  
ON THE GYM  
ROOM WALLS

WHO WHO WRITES ABOUT  
SOMEONE ELSE, IS PROBABLY TALKING  
ABOUT THEMSELVES.

2 FOR IF YOU HAVE NO FEARS  
TO APPROACH THE HEAVY, THICK  
WALLS OF THE GYM.

3 THE FEELING THAT WAS DONE  
WHEN YOU IS OF THE THICK WALLS  
OF THE GYM, PROBABLY TO THE  
WALLS ABOUT!

4 SOMEONE WHO WRITES ABOUT  
THE DAMAGE THAT CAN BE DONE  
BEFORE THE GYM, PROBABLY TO THE  
WALLS, BUT THE WALLS ARE  
WALLS.

Keep the walls clean, from all, and I will make a  
big difference, if not, be different and pass it up, you  
might feel better.

Here is a test to find whether your mission on earth is finished: If you're alive, it isn't.

— Richard Bach  
This book's purpose is to share with you each other's lives. Here is a piece of mine.

— Paul Manzo

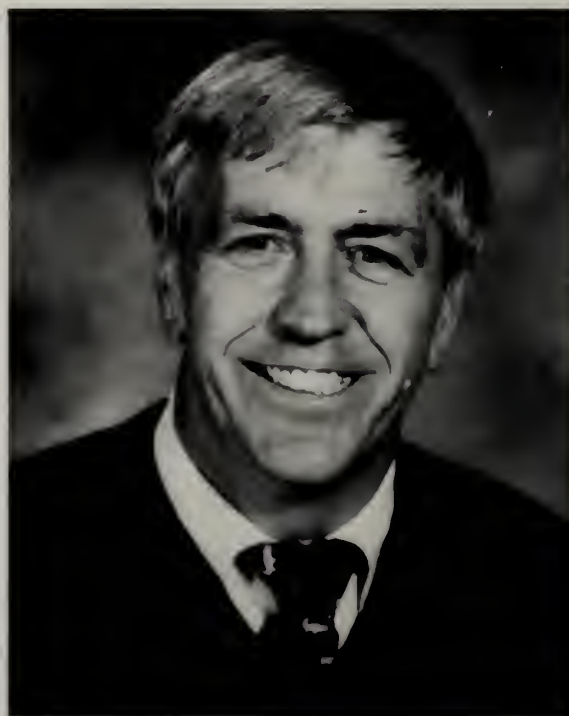

"Do not stand at my grave  
and weep  
I am not there. I do not  
sleep.  
I am a thousand winds  
that blow;  
I am the diamond glints  
on snow.  
I am sunlight on ripened  
grain;  
I am the gentle autumn's  
rain.  
When you awaken in the  
morning's hush,  
I am the swift uplifting  
rush  
Of quiet birds in circled  
flight.  
I am the soft star that  
shines at night.  
Do not stand at my grave  
and cry,  
I am not there.  
I did not die."
